FOR IMMEDIATE RELEASE

# **Silver Eagle's Jurman gains NPTC Board of Governors Appointment**

**Portland, OR (12/16/09)** — Mark Jurman, vice president of commercial sales at Silver Eagle Manufacturing Company, has been appointed to the National Private Truck Council (NPTC) Board of Governors.

Jurman, who has led Silver Eagle's commercial sales division for the last two years, has a broad background in transportation sales as well as manufacturing. His appointment with NPTC begins in January.

Founded in 1939, the National Private Truck Council is the only national trade association exclusively representing the interests of the private truck industry and corporate/business private truck fleet management. NPTC is the premier marketplace of information, networking and skill building for private fleet professionals as it leads in shaping the future of corporate transportation.

Silver Eagle Manufacturing builds converter dollies used by shipping companies that run double and triple trailer configurations and is also the global leader in military trailer manufacturing. Since 1936, the company has served the business needs of over-the-road trucking and military fleets.
